USING THE SCHEDULE

The time points provided within represent only a few of the stops available. These are provided to help you establish where the bus will be at a given point and allow you to estimate the arrival time of the bus based on the nearness of your location to the appropriate printed time. Determine your time point (or the one nearest your location) based on when you want to leave or when you want to arrive. Read across for your destination and down for your time. Buses stop at designated stops only (city ordinance).
